### **For Puppies**

Puppies may start nibbling Native Level 4 around four to five weeks of age. You may feed it dry, but moistening may enhance acceptance. If desired, self-feeding may be started at any age after weaning. If puppies are not self feeding, but on a schedule, feed them three times per day up to six months of age and two times per day from six months to one year of age. Provide plenty of fresh water.

### **For Pregnant Females**

Using the Feeding Directions, offer 50% more food during pregnancy.

### **For Lactating Females**

Using the Feeding Directions, offer two to three times the normal amount of food.

NATIVE Level 4 is formulated to meet the nutritional levels established by the AAFCO Dog Food Nutrient Profiles for all life stages.
